

**TOWN OF DALMENY
BYLAW NO. 1/10**

A Bylaw to amend Bylaw No. 3/09 known as the Official Community Plan.

The Council of the Town of Dalmeny, in the Province of Saskatchewan, enacts to amend Bylaw No. 3/09 as follows:

1. Section 3 Objectives and Policies is amended by adding the following new subsection:

“3.10 Natural Resources

3.10.1 Issues and Concerns

- (1) The Town of Dalmeny is part of the North Saskatchewan River Watershed. In 2008, a Source Water Protection Plan was completed by the Saskatchewan Watershed Authority - North Saskatchewan River Basin Council. Recommendations and key actions have been identified respecting water conservation, climate change, ground water protection, surface water quality, apportionment of inter provincial water flows, surface water quality and protection of natural habitat. The approved watershed plans are now being implemented by all participating agencies.

3.10.2 Objectives

- (1) To protect ground water resources from contamination to ensure a safe supply of drinking water.
- (2) To support the implementation and evolution of the North Saskatchewan Watershed Source Water Protection Plan (NSWSWPP) consistent with the principles, objectives and land use policies of this Official Community Plan.

3.10.3 Policies

- (1) Development shall not deplete or reduce the quality of water resources in the broader region.
- (2) The Town of Dalmeny will commit to protection of ground and surface water, public health, property and the environment through the use of water management programs that:
 - (a) maintain healthy ecosystems;
 - (b) provide safe and reliable drinking water; and,

(c) provide advanced waste water treatment and storm water management to the greatest possible extent within the constraints of their resources.

(3) Development shall ensure that waterbodies, waterways, wetlands, groundwater and riparian systems are protected and sustained.

(4) The Town of Dalmeny may employ site-specific planning programs, either alone or in cooperation with other agencies, organisations or governments, to protect water bodies and wetlands. They may limit, restrict, delay or prohibit development in these areas until site-specific planning has been completed and/or until the affected Council is satisfied that specific development projects will sustain these areas. Site-specific plans may result in limiting or prohibiting development in these areas.”

2. This Bylaw shall come into force and take effect when approved by the Minister of Municipal Affairs.
