### DALMENY FIRE DEPARTMENT

Alicia Bell, EMO Coordinator Wade Klassen, Assistant EMO Coordinator

#### June 30, 2025

What a busy season for fires. Thankfully it hasn't been in our area, and we were able to assist in northern deployments.

Both EMO Coordinator Bell and Assistant Coordinator Klassen were able to deploy to La Ronge where they were able to assist with some EMO planning for LLRFD. Assisted in setting up division maps, magnet accountability tablets, and daily briefings. Was nice to put the training into play, learn new skills, and adapt our procedures to a different department and location. Was able to put faces to names with some SPSA members. Once things slow down in their department, we hope to have them in our town to assist with a tabletop exercise and what is expected of everyone during an emergency etc.

EMO Coordinator Bell has also been updating the DFR Facebook Page. This was a task started about 2 years ago when we had to start over from scratch. We are happy to report that our deployment postings have reached over 200,000 people across Canada in the past month and have really increased our followers. This is important as if an emergency is to occur in our area, we want a reliable and trustworthy resource to spread information out of. If there are any ideas from council on posts etc., please let me know.

## DALMENY FIRE RESCUE Tom Moody, Fire Chief

### **Second Quarter Highlights**

Call volumes are higher than the five-year average, with 81 calls for service and 98 total incidents to the end of the second quarter. Hours are substantially higher due to more training hours, as well as hours worked during the northern deployment.

Pump tests were completed on Engine 21, Tender 25 and Engine 23. All units passed their pump tests; however, each required some service work. Engine 21 needed one valve resealed, Tender 25 needed one valve resealed and a pressure sensor replaced, and Engine 23 needed one valve resealed, the tachometer on the pump panel repaired and a leak on the cooler repaired. Repairs have been completed. Pump test results were submitted to Fire Service Underwriters.

Four DFR members assisted with Camp Molly, a 4-day camp for teen girls held at Saskatoon Fire training grounds June 12-15. This was a great experience for both the participants as well as the DFR members.

DFR was asked by SPSA (Sask Public Safety Agency) to assist with Northern Wildfire response in late May. We had two members join a crew from Warman Fire and deploy to Weyakwin on May 31. We had two more members join Waman Fire to deploy to Pelican Narrows on June 1. DFR deployed an additional two members with Engine 23 and Utility 21 to Laronge on June 3. The Warman Fire crew in Pelican Narrows were moved to Denare Beach on June 2, and then later that day were evacuated to Creighton, where they continued to protect valuables. The two members who were in Weyakwin were rotated out by Warman Fire on June 4 and returned home. On June 7, the two members who were in Creighton with Warman Fire were rotated out as well, and they then made their way to Laronge and joined the DFR crew. On June 9, two more members went to Laronge as a relief crew with Truck 22 and a private vehicle, and one member returned to Dalmeny with Utility 21. The DFR Laronge crew and apparatus were released the morning of June 11 to return to Dalmeny.

It is important to note that during this deployment, DFR still maintained sufficient members and apparatus to cover any emergency calls in Dalmeny and area. In addition, our mutual aid partners were also available to assist as needed.

During the Laronge deployment, Utility 21 broke down. It was an apparent fuel issue, the SPSA and Laronge FD mechanics found that the issue was a fuel system controller, which was replaced. U21 was able to return to Dalmeny under its own power and is still operational.

New Thermal Imaging Camera (TIC) is now in service, and we have been using it for training and incidents. It is a large improvement over the previous unit.

Four (4) DFR members assisted DPS with running the bike rodeo for Prairie View Elementary school students on Thursday May 15.

Chief Moody participated in a Spirit Day at the High School on May 23, where Engine 21 was used for a "Fire Truck Pull" contest, and ended with Engine 21 providing a spray down for students.

# DALMENY FIRE RESCUE Tom Moody, Fire Chief

Access to high volume water supply from the new irrigation pipeline along TR 394 was added at 6 locations, giving area Fire departments great access to water supply in that area for Firefighting purposes.

Weekly training is ongoing, with our regular rotation of Fire, Medical, Vehicle Extrication and Hazardous Materials topics.

We continue to recruit members as Firefighters, Medical First Responders and Auxiliary support members. Tayte Trevors has joined the department as a Junior Firefighter.

Thanks to the DFR members who were able to deploy to help with the Northern Fires.

Special thanks to the other DFR members who stayed home and kept our community safe while the others were away!

# DALMENY LIBRARY QUARTERLY REPORT JULY 23, 2025

The library continues to be a very busy place. Circulation remains steady.

Thursday morning Storytime with Bonnie was very popular. This ended in June and will resume in Fall. We started summer drop-in afternoons on Wednesdays and Thursdays for kids to come in and play board games, puzzles or colour. It is going well and has been well attended thus far.

We had the Saskatchewan Public Safety Agency do a presentation with Sparky the Fire Dog on July 2nd. The Dalmeny Daycare was able to attend. Overall, we had 35 attendees.

The Summer Reading Program is online again this year. Dalmeny is doing great with 3526 minutes logged as of July 23rd. We are in 10<sup>th</sup> place out of 27 branches.

We started Quiet Book Club in April. We try to do one every five weeks. Attendance has increased each time. We have had lots of positive feedback.

The Library Loonie Program remains very popular. Kids love being able to pick out prizes.

We have three Regional Park passes in our branch this summer, they are almost always checked out.

We are looking forward to some new and exciting programs coming up for both kids and adults this Fall.

# Parks and Recreation Department Quarterly Report

July 2025

#### **Seasonal Parks Workers**

Our summer students and I have been very busy. Ongoing maintenance of the parks and green spaces, which includes weeding, trimming, pruning, lots of watering, pesticide control, raking up branches, soccer field and ball diamond maintenance, etc. Over the last few weeks, throughout all our parks we have planted 185 trees along with 17 shrubs/apple trees (donated from Canadian Tire). We will be planting 14 more trees in early August. My summer students have done extremely well, and I commend them on their hard work.

#### **Dalmeny Arena**

Ball hockey was limited this year with only 10 games being played throughout June. There have been a few other ball hockey rentals from the provincial U13 teams.

Flyball has also returned with three tournaments. April, May and September. Next year I expect there to be four tournaments.

Pickleball nets have been set up in the arena as we have been offering drop in pickleball Mondays, Wednesdays and Thursdays. The turn out was pretty good and I expect it will continue to grow.

Johnson Controls is scheduled to complete the sprinkler main replacement in August.

Ice supplies have been ordered as we intend to be open for October 1<sup>st</sup>. Dalmeny Minor Hockey and Dalmeny Skating Club have most of their ice booked for the upcoming season.

This upcoming season we are excited to have a new competitive senior women's hockey team, coming to Dalmeny. Starting this fall in the SSWHL. Stay tuned for more updates. We are also excited to announce the U22 Dalmeny Sabres that will be joining the SJFHL for the 2026/27 season.

#### Farmer's Market

The farmer's market began July 7<sup>th</sup>. Our vendor list continues to grow. The first few days seemed to be pretty good, and it only gets busier as the summer goes on.

# Parks and Recreation Department Quarterly Report

#### Minor Baseball/Minor Soccer

Both organizations were able to have busy regular seasons this spring which was great to see even despite the rainy spring. Numbers are way up for baseball across the league. Diamond #3 was used weekly by the Senior and Junior Rally Caps. The timely rains in the spring really helped with the conditions of our fields. I have a meeting set up with Southern Irrigation to discuss a potential irrigation design plan.

## **Spray Park**

The spray park has been open since May long weekend. This has been the best our system has operated since we've got it. I'm very happy with the way it has been running.

#### **Dalmeny Days**

This year's Dalmeny Days was another busy one. I believe everything went well. The tent in the beer gardens area was a huge hit. I see it being a regular addition in the future. I have a lead on being able to rent a bigger one for less cost.

The Dalmeny Fire Rescue Department has been deployed in their latest deployment since July 2, 2025, a total of twenty-six (26) days as of July 27, 2025.

# 7. Canada Community-Building Fund (formerly Gas Tax Fund):

Presently, the Town has \$109,861.00 in its Canada Community-Building Fund. In August 2025 the Town should receive a further \$57,271.80. These funds will be applied to the Town's share of the Victor Close and Victor Place Road Reconstruction and Watermain Replacement Project.

#### 8. SUMAssure Community Sponsorship Program:

SUMAssure has a new Community Sponsorship Program Application that would provide a maximum of \$500.00 to a community event. The Town made application for the Children's Christmas Carnival held the first Sunday of December each year. For 2025, the date is December 7.

# 9. Street Survey of Victor Close and Victor Place:

Catterall & Wright Consulting Engineers have completed their survey of Victor Close and Victor Place in preparation for the Road Reconstruction and Watermain Replacement Project schedule for 2026.

Rail Safety Week 2025 | Proclamation request

**Attachments:** 

Resolution\_Canada\_EN.pdf

Dear Mr. Weninger,

Rail Safety Week will take place across Canada from September 15 to 21, 2025.

For more than 20 years, CN has partnered with Operation Lifesaver Canada (OL) to raise public awareness about the dangers of crossing and trespassing on railway property. In recent years, we have seen disturbing spikes in deaths and serious injuries related to both. Inattention and distraction at crossings, risky behaviours on and around trains, the rise of homeless encampments along rail corridors, and mental health crises are all factors driving the recent, negative reversal in trendlines.

As valued neighbours and partners in promoting community safety, CN and OL together would like to ask your council to join us in raising awareness about the critical issue of rail safety by adopting the enclosed <u>proclamation</u>.

Your leadership plays a vital role in educating the public about the risks associated with inattention at railway crossings and trespassing on train tracks and other rail infastructure. Rail Safety is a shared responsibility, everyone has a role to play. By signing the proclamation and encouraging public engagement, your municipality will help foster a culture of safety and prevention and we would be honoured to publicly acknowledge your commitment to this cause.

If you have any questions or concerns, please contact Scott Brown, your local CN Public Affairs representative, at <a href="mailto:scott.brown@cn.ca">scott.brown@cn.ca</a>.

Thank you in advance for your support.

# **RESOLUTION**

# IN SUPPORT OF RAIL SAFETY WEEK

WHEREAS Rail Safety Week is to be held across Canada from September 15 to 21, 2025;

**WHEREAS**, 261 railway crossing and trespassing incidents occurred in Canada in 2024; resulting in 68 avoidable fatalities and 58 avoidable serious injuries;

WHEREAS, educating and informing the public about rail safety (reminding the public that railway rights-of-way are private property, enhancing public awareness of the dangers associated with highway rail grade crossings, ensuring pedestrians and motorists are looking and listening while near railways, and obeying established traffic laws) will reduce the number of avoidable fatalities and injuries cause by incidents involving trains and citizens; and

**WHEREAS** Operation Lifesaver is a public/private partnership whose aim is to work with the public, rail industry, governments, indigenous communities, police services, media and others to raise rail safety awareness;

**WHEREAS** CN and Operation Lifesaver have requested City Council adopt this resolution in support of its ongoing efforts to raise awareness, save lives and prevent injuries in communities, including our municipality;

It is proposed by Councillor	
seconded by Councillor	

It is hereby **RESOLVED** to support national *Rail Safety Week* to be held from September 15 to 21, 2025.

Implee.
