## Inviting all Saskatchewan Communities

Communities that look successful are the most likely to be successful. Whether your goals are to increase tourism, stimulate your economy, or build civic pride, the look your community presents to residents and visitors is a key factor in achieving your goals.

Communities in Bloom is a program offered by SPRA that inspires communities to enhance and sustain the visual appeal of neighbourhoods, public spaces, parks and streetscapes through the imaginative use of flowers, plants, trees and landscaping, the preservation of heritage and cultural assets, and environmental stewardship.

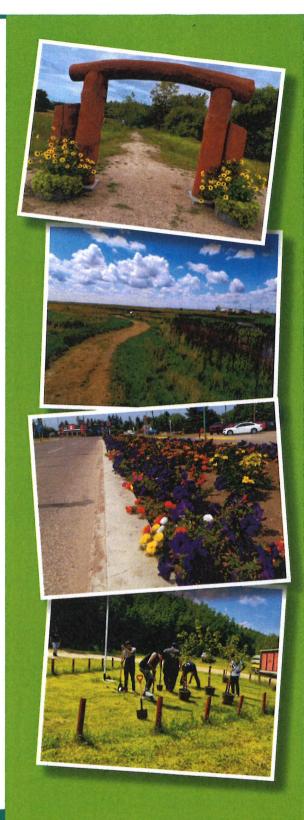

Friendly competition is a core part of this popular program, engaging citizens of all ages, service groups, businesses and associations in an effort to succeed and be recognized. During the evaluation, our volunteer judges will come up with ideas for your community and help you recognize the great assets you have!

Participants are more successful when they are deeply involved in grassroots community development and have:

- A true desire to participate based on an appreciation for municipal parks and residential landscapes
- A strong desire to better their community
- A strong environmental consciousness
- A sense of heritage and civic pride
- An understanding that economic benefit is likely to follow
- Support of the Municipal Government

Communities of all sizes from every region of Saskatchewan are invited to participate in Communities in Bloom and gain the social and economic benefits that can result.

Upon registering for the **GEMS** program, you will have the opportunity to explore and learn about the following:

Module 1: Municipal Governance in Saskatchewan Module 2: The Council's Role: Setting Direction Module 3: The Council's Role: Monitoring & Reporting Module 4: **Financial Stewardship Deeper Dive** Module 5: Future Focus & Infrastructure Stewardship Module 6: **Risk Management & Mitigation Understanding Conflict of Interest & Liability** Module 7: Module 8: **Corporate Culture & the Power of Teams** Module 9: **Council Effectiveness** 

JOHNSON SHOYAMA	GOVERNANCE ESSENTIALS FOR THE MUNICIPAL SECTOR (GEMS) Signs of an Effective Council
Purpose	The council has a clear understanding of the purpose of the organization and their individual and collective role as council members.
Accountability	Council members clearly understand to whom they are accountable and for what. If members have multiple accountabilities (maybe they sit on multiple boards or own a number of businesses), the council has established mechanisms to monitor and report on those accountabilities.
Council Membership	The attributes of individual councillors are acknowledged and, if necessary, developed through training and education to focus on the best interests of the organization.
Structure	This is the framework in which the council operates. There are clear guidelines established through the core governance documents – number of meetings, how agendas are established, how committees are structured. There are clear terms of reference for committees, conflict of interest guidelines, etc.
Council Culture	How the group interacts, discusses items, debates options and makes decisions has an impact on performance. The mayor/reeve sets the tone, but every member is accountable for their own respectful participation and behaviour.
Information for Decision Making	Councils provide clarity to management regarding the type of information they wish to receive, the timing of the materials, and how it is presented. This is the basis of well-informed decision making.
Education, Training and Evaluation	Councils make time to increase their knowledge in relation to governance issues and are not afraid to evaluate their performance as a group. They also work to gain a solid understanding of their organization. When this is done as a collective, the council learns and grows together resulting in a more cohesive unit or team.
Internal Relationships	Councils have a responsibility to recruit, appoint, and evaluate the CAO or Administrator. Clear lines of authority and responsibility, combined with mutual respect, result in strong working relationships.
External Relationships	There are always several external relationships that need to be maintained and strengthened. Successful councils are intentional about these relationships. Depending on the organization and its purpose these may include community groups, other levels of government, funders/contributors, licensing/regulating bodies, and professional groups, just to name a few.

# Questions for the Administrator or Chief Financial Officer

To most fully understand your municipality's finances you should learn from the experts that work together with council to ensure fiscal responsibility.

Some great questions to ask your administrator or CFO as they consider your municipality's finances are below.

- 1. What do you feel are the 2 or 3 most pressing long term financial issues our municipality is facing?
- 2. How are you feeling about our financial performance this year to date are there any short term actions we should be considering to mitigate potential problems? What is keeping you "awake at night"?
- 3. What are you hearing from staff about the financial performance and health of their respective departments or divisions?
- 4. Are there any best practises or strategies that you see other municipalities like ours taking that we should consider?
- 5. What can we do as a council to help make our role as financial stewards more effective and efficient?
- 6. If you could change one thing about how we manage and look after the municipality's finances what would it be?
- 7. Based on what you are seeing and hearing from our citizens are there any new areas of focus or priority that we should be considering?

To most fully understand your municipality's finances you should learn from the experts that work together with council to ensure fiscal responsibility.

Some great questions to ask your Auditor (these questions will usually be asked in an in-person session without any staff present).

- 1. Did you get an acceptable level of cooperation and collaboration from our staff during the audit process?
- 2. Are there any thoughts or advice you might give us that is not already explained in the official audit results?
- 3. What do you see other municipalities like ours doing in the area of new trends in financial management that we might consider?
- 4. Did you find any significant differences or anomalies in this year's audit from years past?
- 5. Are there any potential landmines or deficiencies that you foresee that might impair the financial integrity of our municipality?
- 6. Have you assessed the effectiveness of our organizational controls? Are you satisfied?
- 7. What performance indicators should a municipality of our size have so that we are confident that our municipality will receive "value for money" through its services?

Rosthern Community School's Truth and Reconciliation Committee is excited to be working on the development of an Indigenous cultural space to be a hub of intercultural learning and relationship building within our school.

Our school was built with a designated cultural space to be utilized for cultural ceremony, teachings and community building. Over the years we have lacked the resources to bring this reality to fruition. The space is located on the second floor of our school with beautiful floor to ceiling windows that offers exterior and interior views. The room is equipped with a special ventilation system and cultural architecture.

As a committee we have a vision to enhance the space with cultural artifacts, shelving, storage and cultural supplies. With guidance from an elder, we will be following traditional protocol for naming and opening the space during June, which is National Indigenous Peoples month.

Our school is in the heart of Treaty 6 territory that serves Indigenous students within the local community as well as Beardy's and Okemasis Cree Nation, One Arrow First Nation and the Metis Nation of Saskatchewan. The revitalized cultural space will be utilized for students to have access to their cultural teachings and ceremonies, while ensuring that non-Indigenous students are building an understanding of Indigenous culture.

We would like to invite Prairie Rivers Reconciliation Circle to partner with us as a sponsor to make this vision a reality. Your support will help cover essential costs such as honorariums for Elders, a display case, storage cabinet, appropriate seating, tea and coffee station, signage, supplies, local artwork. The anticipated budget for this project is \$5000.

In appreciation for your sponsorship, you will be invited to the ceremonial opening of this space, your organization's name will be thanked at the opening, and your organization will be recognized on a plaque in the space. To ensure adequate time for preparation, we kindly request your sponsorship commitments by *May 1, 2025*.

By supporting Rosthern Community School's cultural space, your organization will be a part of a significant Reconciliation initiative celebrating diverse cultural heritage and educational opportunities within our school.

For more information or to confirm your sponsorship please contact a member of the RCS Reconciliation Committee:

#### Drinking Water Quality and Compliance SaskWater Saskatoon Potable Water Supply System - North Station Number – SK05HH0025 2024 Notification to Consumers

The Water Security Agency (WSA) requires that, at least once each year, waterworks owners provide notification to consumers of the quality of water produced and supplied as well as information on the performance of the waterworks in submitting samples as required by a Permit to Operate a waterworks. The following is a summary of the SaskWater Saskatoon Potable Water Supply System - North water quality and sample submission compliance record for the January 1, 2024, to December 31, 2024, time period. This report was completed on February 1, 2025. Readers should refer to the WSA's <u>Municipal Drinking Water Quality</u> <u>Monitoring Guidelines</u> for more information on minimum sample submission requirements and types of samples. Permit requirements for a specific waterworks may require more sampling than outlined in the Agency's monitoring guidelines. This system is supplied with water by the City of Saskatoon. If consumers need to know more about drinking water in Saskatchewan, more detailed information is available from: http://www.hc-sc.gc.ca/ewh-semt/pubs/water-eau/index-eng.php.

#### BACTERIOLOGICAL QUALITY

Parameter	Limit	Regular Samples Required	# of Samples Submitted	# of Positive Regular Submitted
Total Coliform	0 Organisms/100mL	208	208	0
E. Coli	0 Organisms/100m/L	208	208	0
Background Bacteria	Less than 200/100mL	208	208	0

Analysis is performed on a single sample for all parameters mentioned above. All waterworks are required to submit samples for bacteriological water quality; the frequency of monitoring depends on the population served by the waterworks.

#### WATER DISINFECTION

Chlorine Residual for Water in the Distribution System – From Test Results Submitted with Bacteriological Samples

Parameter	Minimum Limit (either/or)	Range (mg/L)	Average (mg/L)	# Tests Required	# Tests Submitted	# Adequate Chlorine
Total Chlorine	0.50 mg/L	1.36 – 1.99	1.71	208	208	208

A minimum of 0.50 mg/L total chlorine residual is required at all times throughout the distribution system. An adequate chlorine residual is a result that indicates that the chlorine level is above the regulated minimum. A waterworks is required to submit chlorine residual test results on every bacteriological sample they submit.

#### Total Chlorine Residual for Water entering the Distribution System

Deremeter	Minimum	Panga (mg/l)	Average	# Tests	# Tests Performed	% Adequate Chlorine
Parameter	Limit (mg/L)	Range (mg/L)	(mg/L)	Required	Performed	Chiorine
Total Chlorine	0.50	1.31 – 2.23	1.77	Continuous	Continuous	100

Total chlorine residuals are continuously monitored and recorded.

#### TURBIDITY

Turbidity for Water in the Distribution System - From Test Results Submitted with Bacteriological Samples

		Range	Average	# Tests	# Tests	# Exceeding	
Parameter	Limit (NTU)	(NTU)	(NTU)	Required	Performed	Limit	
Turbidity	No Standard	0.08 - 0.26	0.15	208	208	0	

Turbidity is a measure of water treatment efficiency. Turbidity measures the "clarity" of the drinking water and is generally reported in Nephelometric Turbidity Units (NTU). The turbidity is tested at the same frequency as the bacteriological testing with a bench testing instrument.

#### CHEMICAL - TRIHALOMETHANES (THM)

Trihalomethanes are formed when chlorine reacts with organic matter in water. The four THM compounds are: chloroform, dibromochloromethane, bromodichloromethane (BCDM) and bromoform. The sum of the concentrations of these four components is referred to as Total Trihalomethanes. The limit for THM is a long-term objective based on an annual average of seasonal samples.

Parameter	Maximum Limit (mg/L)	Average (mg/L)	# Samples Required	# Samples Submitted	
Total Trihalomethanes	0.100	0.030	8	8	

#### CHEMICAL - HALOACETIC ACIDS (HAAs)

Haloacetic acids are formed when chlorine reacts with organic matter in water. The five regulated haloacetic acids are: monochloroacetic acid, dichloroacetic acid, trichloroacetic acid, monobromoacetic acid, and dibromoacetic acid. The sum of the concentrations of these five components is referred to as HAA5. The limit for HAA5 is a long-term objective based on an annual average of seasonal samples.

Parameter	Maximum Limit	Average	# Samples	# Samples
	(mg/L)	(mg/L)	Required	Submitted
Haloacetic Acids 5	0.080	0.015	8	8

DALMENY FIRE DEPARTMENT

Alicia Bell, EMO Coordinator Wade Klassen, Asst EMO Coordinator

#### April 25, 2025

This quarter we've been focusing on making changes on the Mobile Command Centre with the help of Chief Moody and some very skilled members of the department. This included drilling out locks on the outside cabinets and finding the back steps for the centre, removing obsolete equipment that originally came with the unit, rewiring the inside, and remounting the printer to a more usable and accessible location in the command centre.

The mobile command centre is functional as is, but the little changes we have been making allows for smoother set up and ease during an emergency, and it sure has created some bonding moments with the crew.

Chief Moody and EMO Coordinator Bell met with the RM of Corman Park EMO Coordinator, David Bryden. Was a great informal meeting to discuss communication between the Town and the RM during an emergency, and also to show what resources we have on the department.

#### **Dalmeny Arena**

The arena closed for the winter season on March 30<sup>th</sup>. Ice removal and year end maintenance went well. It was a successful season with revenue up, and new events such as the Battle of the Badge and the Sabre Alumni game which were big successes.

Ball hockey is beginning their season in Dalmeny at the beginning of May. This will be our ninth season playing host to the Saskatoon Ball Hockey League at the Dalmeny Arena. Games are held in the evenings Sunday through Thursday.

Diamonds in the Rough are coming back for two Flyball tournaments this year. Tournament dates are April 26-27 and one in September.

Garland Canada is currently overseeing bids for the eavestrough replacement project. Bids should be submitted by next week.

#### JJ Loewen Centre

Martial Arts and Kincade Archery have continued to proceed with regularly scheduled classes. As well as High Octane Flyball with weekly rentals. I expect there to be another busy wedding season this summer.

#### Grants

We were approved for the Community Rink Affordability Grant. We received \$2,500 for each indoor single pad ice surface.

Saskatchewan Lotteries Community Grant – Final reports for the grant period 2024/25 are starting to come in.

I am applying for funding through the Green Jobs Initiatives Program to help pay for 50% of one of our summer students wages.

#### **Dalmeny Farmers Market**

The farmer's market will be back for another season. It will be every Monday afternoon from 3:00 pm to 6:30 pm. Start date has not been made official yet however most likely the first week in July and run until the end of September.

Parks and Recreation Department Quarterly Report

Vendors are wanted. If a vendor is selling food, they must have the required paperwork from Public Health. We can provide that for them. Each vendor is responsible for their own table and or tent to display their product. We ask that if people are signing up to be a vendor that they are committed to be there each week or as much as possible. There is no cost to sign up.

#### **Garage Sales**

The annual community garage sale will be taking place on Saturday May 10th. For \$5.00 you can register your address on the Town list. The list of addresses will be available at the Town Office on Friday May 9th. Deadline to register is Thursday May 8th at 12pm. Proceeds go to KidSport to help support all children in Sports, Arts, Culture and Recreation.

#### **Dalmeny Days**

June 6th – 8th. List of activities to come. Volunteers wanted for the beer gardens.

#### **Indoor Pickleball**

We will be offering indoor pickleball at the arena once again. For times available please contact Recreation Manager Mat Halcro at 306-371-5031. Don't have a racket? No problem, we have everything you need!

#### CAO REPORT April 28, 2025

#### 1. Search for Leak Detection Systems for Municipalities:

At the 2025 SUMA Convention and Tradeshow, the following companies indicated that they have Leak Detection Systems.

- EnvirTRACE Leak Detection
- Enviro Mechanical Solutions Inc.

Public Works Manager Jeff Johnson is presently in discussions with these companies and will be providing a recommendation going forward.

#### 2. Utility Invoices:

The Public Works Staff will be reading all water meters during the week of April 27, 2025.

#### 3. Letter of Support:

I prepared a Letter of Support for the U22 Hockey Team for their application to the Saskatchewan Junior Female Hockey League (SJFHL). This hockey team will play 12 games and have weekly practices at the Dalmeny Arena for the 2025-2026 Season.

#### 4. MasterCard Point Redemption:

During the month of March 2025, the Town redeemed all the MasterCard points, some 3,437,630. The Affinity Credit Union gave the Town \$1.00 for every 1,000 points earned.

#### 5. Saskatchewan Housing Corporation:

Town Council

We are writing this letter on behalf of the community and families of Dalmeny and area. As you are aware, the Dalmeny Daycare provides a vital service to the families of Dalmeny and area. At this point in time, we are only able to provide service to families of children aged 18 months to 6 years of age.

We are hoping to be able to support the children aged 6-12 years on non-school days, school breaks, and over the summer months. We currently do not have the facility or space to accommodate these children while providing safe and educational care for the families of our community.

We conducted a quick survey on Facebook in January of 2025 and had 16 responses for approximately 20 children. This is only a sample of the childcare needs of our community and the surrounding area. With advertising, the support of town counsel, and word of mouth, this is a vision we can make a reality for our growing community.

We are hoping to be able to rent the JJ Lowen or the rink at a reduced rental rate.

Community Benefit This program will:

Provide a safe, supervised environment for children

Offer educational and recreational activities

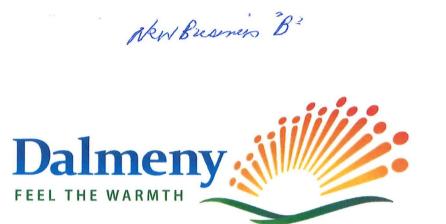

Support working parents and caregivers

Strengthen community ties and local engagement

Thank you for your time and consideration

Yours truly

The Board, staff, and families of Dalmeny Daycare.

## TOWN OF DALMENY COUNCIL POLICY

POLICY TITLE	ADOPTED BY:	EFFECTIVE DATE	POLICY NO.	ORIGIN/AUTHORITY
Community Donation Policy		April 28, 2025	1-2025	Council

The Mayor and Council of the Town of Dalmeny (the Town) desire to establish a policy related to donations from the Town to individuals or groups.

The maximum funds available for donations will be determined by Council and included in the budget each financial year. For the purposes of this policy, the definition of "donation" shall be any direct monetary contribution or provision of Town services, facilities, or equipment requested by the applicant. These provisions or services include facility rental fee, Town staff support, Town owned equipment fee, or use of Town owned materials.

## 1. Purpose

The policy exists to assist in the administration of annual donations budget and to provide guidance on the allocation of funds to applicants.

- a) provide Council with a consistent response to requests for donations.
- b) provide clear procedures for staff when responding to requests for donations.
- c) provide delegate authority to the Chief Administrative Officer to determine requests for donations up to a value of \$250.00.
- d) set firm deadlines for contributions in excess of \$250.00 so Council may establish priorities and plan accordingly in the annual budget.

## 2. Guidelines

Donation requests for capital projects will be considered separately by council and included in the budget if approved.

Donations made by the Town do not set precedent, and are not to be regarded as commitment by the Town to continue such donations in the future.

#### To be eligible for a municipal donation, the applicant must:

- be based within the Town of Dalmeny;
- demonstrate the need for the specific request;
- be an individual or non-profit service;
- use or distribute the donation wholly within the Town of Dalmeny through the events or activities associated with the donation;
- not be the recipient of other funds from the Town;
- not be a Federally or Provincially funded initiative;
- not be raising funds on behalf of another group who would not otherwise qualify;
- not be a registered political party, registered constituency association or registered candidate;
- agree to acknowledge the Town's contribution in all publicity relating to the event or activity to which the donation applies;
- show outcomes that positively benefit the Town and its citizens.

#### Preference will be given to applicants:

- that can demonstrate strong community involvement and strong benefits to the community at large;
- that can demonstrate a strong need for the specific donation request;
- holding community events, activities, initiatives, or programming;
- who have not received previous donations from the Town.

#### Ineligible Requests:

The following are ineligible for requests for donation:

- Applications for assistance to attend conferences;
- Sponsorships of individuals or groups attending or participating in sporting or other events;
- Waiver of fees for use of any other Town owned facility that is managed by a contractor or a registered society;
- Waiver of fees for the use of a Town owned facility after the event in question has already taken place;
- Contributions of any type for an event that has already transpired;
   Contributions for any initiative that would contravene or conflict with
   Town Bylaws or Provincial Legislation.

## 3. Conditions for Donations in excess of \$250.00

To ensure a consistent process for receiving applications, and clear guidelines for granting significant contributions within the community, donation requests exceeding \$250.00 will only be considered using the following system:

Without exception, applicants will be required to fill out an Application for Donation and submit it to the Town's Administration no later than November 1<sup>st</sup> for consideration in the budget for the following calendar year based on Council priorities.

Any unallocated funds from the community donation allotment after Council approves the November 1<sup>st</sup> intake may be distributed at Council's discretion until it is fully spent, or be reserved as surplus to fund the budget of the following year.

## 4. Conditions for Donation Requests less than \$ 250.00

- Council will set a maximum amount for community donations to be reserved in the budget that may be distributed at the Chief Administrative Officer's discretion each year or forwarded to Council with recommendations.
- Requests for consideration of a donation less than \$250.00 will be accepted on an ongoing basis and must be in writing to the Chief Administrative Officer on the prescribed form.
- All requests must be received a minimum of 30 days before the event to which they apply.
- The Chief Administrative Officer and/or Council, at its discretion may or may not approve the donation.
- The Chief Administrative Officer has the delegated authority to approve a donation for a single event up to a maximum of \$250.00.
- The Chief Administrative Officer has the delegated authority to approve the donation in the form of waived fees up to the maximum of \$250.00, provided no admittance fees or participation fees are charged for the event.
- The Chief Administrative Officer may refer the donation application to Council irrespective of the requested amount depending on the circumstances of the application.

## 5. <u>Conditions for Donations in the form of waived fees or in-kind</u> <u>donations</u>

- Council will set a maximum amount for community donations to be reserved in the budget that may be distributed at the Chief Administrative Officer's discretion each year or forwarded to Council with recommendations.
- Any requests for donations in the form of fee waivers for the use of Townowned facilities will be assigned a dollar value calculated from the established rates for the respective facilities.
- Requests for in-kind donations in the form of labour or machine time will be assigned a dollar value calculated from the established hourly rates for machine time and labour.
- Requests for in-kind donations in the form of materials will be assigned a dollar value equal to the cost of materials.
- All other conditions and deadlines defined in this policy also apply to requests for fee waivers and in-kind donations.

## 6. General Conditions

Successful applicants must expend the funds as detailed in their application or return any unused funds to the Town within the same calendar year as they are received

Snow Removal from Streets & Sidewalks		April 28, 2025	3-2025	Council

## 1. Snow Removal Process

Snowfall of 10 centimeters (4 inches) or more – all streets as listed below in numbers (1) and (3), should be made passable within 24 hours of cessation of snowfall. Passable condition means to provide a single vehicle width down the center of the streets.

Snowfall of less than 10 centimeters (4 inches) – all streets to be cleared as per priority schedule, in a time as determined by public works manager, with a view to providing at least a single vehicle width access down the center of the streets.

No action is required by the public works manager if the snowfall is less than 5 centimeters (2 inches).

Staff overtime and/or additional contracted equipment may be authorized by public works manager to meet the 24 hours goal.

### 1.1 Priority Schedule for Snow Removal & Grading/Hauling

- 1<sup>st</sup>) Arterial roads
- 2<sup>nd</sup>) Collector roads
- 3<sup>rd</sup>) Residential streets and back alleys (lanes) which provide primary access to residences
- 4<sup>th</sup>) Back alleys (lanes) will not be cleared, except to provide primary access to residences and within the C1 – Downtown Commercial District

Wakefield Avenue from 3<sup>rd</sup> Street to 1<sup>st</sup> Street Prairie Street from Wakefield Avenue to Ross Avenue Ross Avenue from 1<sup>st</sup> Street to Prairie Street Wakefield Avenue from 1<sup>st</sup> Street to Prairie Street

## 3. Snow Grading and Hauling

All grading shall be by plowing snow onto boulevards and/or windrowed to the middle of the street. After which, the snowblower and/or skid steer will load the snow into the Town trucks.

Any street grading shall be done as time permits, with a desired goal of completion within five days.

Where the public works manager deems it necessary, snow shall be windrowed to the center of street and hauled away, as time permits.

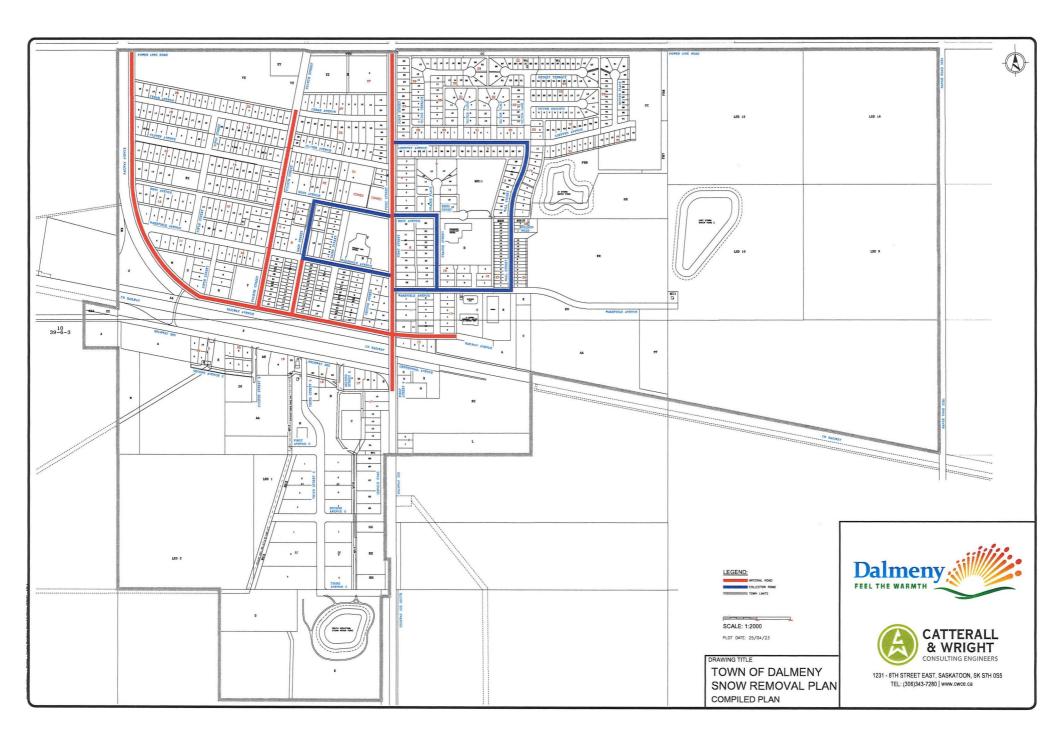

The Public Works Manager shall have authority to use contracted equipment if deemed necessary.

The public works employees shall follow this policy as closely as possible, in order to provide a general benefit to the public.

The public works employees shall not respond to individual public requests outside of the priority schedule, because the general benefit to the public will not be served.

Concurrently, the public works employees will ensure that the snow is removed from all Town owned facilities, beginning with the Fire Hall and the Fire storage area.

Sidewalks at all Town facilities will be cleaned down to the concrete by the respective department, which in some instances with the approval of the Chief Administrative Officer, can be delegated to others.

## TOWN OF DALMENY COUNCIL POLICY

POLICY TITLE	ADOPTED BY:	EFFECTIVE DATE	POLICY NO.	ORIGIN/AUTHORITY
Naming/Renaming or Dedicating of Municipal Property, Buildings and Park Elements		April 28, 2025	4-2025	Council

## 1. Background

The naming/renaming or dedicating of municipal property, buildings and park elements are important for public awareness, promotion and emergency access. In order to ensure fairness and consistency, naming/renaming or dedicating of municipal property, buildings and park elements will be named according to the following principles:

- Aid in the geographical identification of the municipal property, buildings and park elements to assist in emergency response situations.
- Maintain long-standing local area identification understandable to the majority of the towns people.
- Gives a sense of place, continuity, and belonging to celebrate distinguishing characteristics and uniqueness of Dalmeny.
- Unique, avoiding confusion, name duplication and similar sounding names.
- Not discriminatory, derogatory or political in nature. Municipal property, buildings and park amenities will not be named after elected officials currently in office.
- Where a street is named for a person, the adjacent municipal facility/property or park may not necessarily be named for the person.
- Corporate names will not be used unless a significant financial or other contribution has been made to the Town. (See Section 1.8 below).

## 2. Purpose

The purpose of the policy is to ensure consistency and fairness in the naming/renaming or dedicating of municipal property, buildings and park elements under the jurisdiction of the Town of Dalmeny.

## 3. Naming/Dedication Criteria

In keeping with the above principles, administration will recommend to Council which of the following criteria will be used for naming/renaming or dedicating municipal property, buildings and park elements:

- Geographic location (i.e.,) major road, town district.
- A group or individual who has contributed towards the development of the Town of Dalmeny.
- Purchased naming rights through a competitive process.

## 4. Definitions

- *"Asset Analysis"* is a comprehensive look at the asset's overall value as it relates to corporate sponsorship or naming opportunities.
- "Commemorative" naming is usually bestowed to honour an individual. Streets and parks are often named in this way. This honour is not usually negotiated for a fee.
- *"Individual"* naming is generally negotiated as recognition for a donor of funds. It can be commemorative, in the sense that it honours an individual, except there is usually a financial transaction involved.
- Corporate" naming is generally negotiated for a specific fee and time period. In addition to recognition on the building, which may include the corporate name and/or logo, the company may receive other marketing or public relations benefits as part of the agreement.
- *"Naming rights"* is the right to name a piece of tangible property or an event in exchange for financial considerations, documented in an agreement signed by all parties.
- "Municipal property, buildings and park elements" include Town-owned buildings, rooms and elements within those buildings, parks and elements of parks including walkways, bicycle paths, fountains, squares, gardens, retention ponds, landscape features, bridges, etc.
- *"Value Assessment"* is a determination of the true value that a sponsor will receive as a purchaser of specified naming rights and may include tangible and intangible benefits.

### 5. Responsibility

Administration is responsible for providing Council with recommendations in regard to the naming/renaming or dedicating of municipal property, buildings and park elements. In all cases, Administration will coordinate naming to ensure fairness and consistency.

All discussions of naming/renaming or dedicating of municipal property, buildings and park elements will be considered initially at a closed meeting, for the purpose of gaining approval in principle of the majority of Council.

In general, Town Administration will bring forward a report for Council containing background information pertinent to one or more suggested names.

Final decision will be made by Council at a closed meeting and reported publicly at the appropriate time.

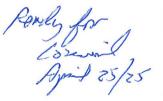

Council retains the right to change any name, at any time, without notice.

## 6. Considerations

In the case of commemorative or individual naming, the following factors will be considered:

- The contribution the group or individual has made to the public life and well being of the Town of Dalmeny.
- Must be perceived as a role model and open to close scrutiny relative to their character, integrity and values.
- Community involvement must be outstanding and renowned.
- This involvement will have had a dramatic influence/impact on the town/residents over an extended period of time.
- Contribution including length of service, level of commitment, level of responsibility assumed must be extraordinary.
- Have they earned national/international acclaim?
- In the case of financial gifts, has the donor participated in a large one-time campaign that consumed a minimum of 3-5 years in support of a public venue, or participated in a fundraising campaign in support of a public venue (10-20 years/lifetime service)?
- In the case of service clubs, have they contributed through public service activities in Dalmeny over multiple years (ie.,10-20 years)?
- The significance of the contribution made relative to the construction and/or operating costs of the item being named.
- The significance of the contribution relative to the market valuation of the naming opportunity.
- Results of value assessment.
- The benefits to and obligations of both the purchaser and the Town. The duration of the naming including a specific sunset clause associated with the length of time that the name will be used.
- Whether the naming agreement can be renewed if a further gift or sponsorship is received.
- Demonstrated public support for the sale of naming rights of the facility.

Access to Information and Checklist		April 28, 2025	5-2025	Council

#### 1. Purpose

The Town of Dalmeny recognizes the right of access by the public to information in the possession or under the control of the Town and is committed to fulfilling its obligations under *The Local Authority Freedom of Information and Protection of Privacy Act* (LA FOIP) and *The Local Authority Freedom of Information and Protection of Privacy Regulations* (LA FOIP Regulations).

The purpose of this policy is to establish appropriate controls and guidelines around providing access to information as required to carry out the Town's statutory obligations pursuant to LA FOIP and the Town's legitimate business and public interest mandates, including the principles of open government: transparency, accountability, accessibility and participation.

### 2. <u>Scope</u>

This policy applies to the head, all employees, contractors and councillors when conducting Town business.

## 3. Definitions

**Access to Information Request** – The formal process by which an individual may request access to the Town's records under the provisions of LA FOIP. The term freedom of information request (FOI) is also used to describe an access to information request.

*Applicant* – any individual who requests access to a record under LA FOIP.

**Chief Administrative Officer** – the administrator of the Municipality appointed pursuant to section 110 of *The Municipalities Act* (or section 49 of *The Northern Municipalities Act*).

**Contractor** – an individual or company retained under a contract to perform services for the Town including any information management service providers (IMSP).

**Control** – is where the Town has the authority to manage the record including restricting, regulating and administering its use, disclosure or disposition.

**Duty to Assist** – is the Town's obligation to provide assistance to an applicant including responding to a request for access openly, accurately and completely.

**Employee** – an individual employed by the Town, including an individual retained under a contract to perform services for the Town.

**Exemption** – a mandatory or discretionary provision under LA FOIP that authorizes the Town to refuse to give access to information contained in a record.

**Formal Request** – a request for access to information, made in writing or presented on the prescribed Access to Information Request Form that states the applicant wishes to make application under LA FOIP.

*Head* – the Mayor of the Town. The head may delegate in writing a power granted the head or a duty vested in the head to one or more officers or employees of the Town.

**Informal Request** – a request for information, which is general in nature, can be easily accessed in a minimal amount of time and can typically be handled by the area, branch or unit responsible for the information.

**Information** – what a record contains in any format. It is also a term used to refer to the content of an electronic database or application. Regardless of the form, all recorded information in the possession or under the control of the Town is a record.

#### **IPC** – Information and Privacy Commissioner

**LA FOIP** – The Local Authority Freedom of Information and Protection of Privacy Act.

**Personal Information** – means information about an identifiable individual of a personal nature which may include but is not limited to: information about an individual's race; religion; family status; age; birthdate; place of origin; employment or criminal history; financial information; health services number; driver's license number; social insurance number; home address, email address or telephone number; physical or mental condition of an individual; an individual's personal views or opinions except where they are about another individual (LA FOIP s. 23(1)).

**Possession** – physical possession plus a measure of control of the record.

**Privacy** – is the right to keep certain information private; freedom from unauthorized access to, use, or disclosure of one's personal information.

**Record** – means a record of information in any form and includes information that is written, photographed, recorded, digitized or stored in any manner, but does not include computer programs or other mechanisms that produce records (LA FOIP s. 2(1)(j)).

**Third Party** – means a person or company other than the Municipality or the applicant (LA FOIP s. 2(1)(k)).

Town – means the Municipality/Town of Dalmeny.

## 4. Policy

LA FOIP and *The Municipalities Act* determine the Municipality's obligations to provide access to information in the Municipality's possession or under its control. Every individual including employee and contractor with access to Municipal information, as a result of their employment or contract with the Municipality, is responsible for managing that information in accordance with this policy. Also, to the extent that an elected official is engaged in carrying out the mandate or functions of the Municipality, then LA FOIP most likely will apply to those records.

#### 4.1 Access to Information

Pursuant to LA FOIP, an individual has the right to request access to any information in the possession or under the control of the Municipality unless specific and limited reasons apply in which it may be withheld.

The Town has a duty to assist in providing as much information as possible to the applicant while ensuring confidential information including personal and third-party information is protected in accordance with LA FOIP.

#### 4.2 Informal/Formal Requests

Informal requests are handled by the employee responsible for the information, in consultation with the Chief Administrative Officer, as necessary.

An applicant who wishes to make a formal request under LA FOIP is to complete the <u>Access to Information Request Form</u> available on the IPC's website or makes a request in writing by email or letter stating the request is being made under LA FOIP.

The applicant is to send the request confidentially to the Chief Administrative Officer. If an employee receives the formal access request, it should be immediately forwarded to the person with delegated responsibility to process access to information requests.

Formal requests are to be handled confidentially and immediately on receipt. The name of the applicant should be kept confidential and only shared on a need-to-know basis.

Formal access to information requests is subject to an application fee pursuant to LA FOIP Regulations. Presently, the application fee is \$20.00, but may change from time to time, when amended.

Processing fees are determined in accordance with LA FOIP Regs.

The Chief Administrative Officer (or person responsible) will use an access request checklist so as to be sure that all the steps have been taken (sample access request checklist attached).

Employees shall assist the administrator (or person responsible) as necessary in obtaining information responsive to access to information requests in accordance with the timelines legislated under LA FOIP and contained in the access request checklist.

#### 4.3 Duty to Assist

The Municipality has a duty to provide assistance to an applicant including to respond to a request for access openly, accurately and completely; to provide an explanation of any term, code or abbreviation used in the information, or to refer an applicant to a person who is able to supply an explanation if the Municipality is unable to do so.

#### 4.4 Clarifying or Narrowing

If a formal access request is unclear, in other words, the Chief Administrative Officer cannot determine the records being requested, the Chief Administrative Officer should write the applicant asking the applicant to clarify the access request. This should be done as soon as possible upon receipt of the access request.

If the access request is clear as to the records being requested, the Chief Administrator Officer, as part of the duty to assist, can contact the applicant to see if the access request can be further focused. In other words, to see if fewer records might meet the purpose of the applicant and perhaps keep fees down. This should be done as soon as possible upon receipt of the access request.

#### **4.5 Exemptions**

LA FOIP provides for the protection of certain information. There are mandatory and discretionary provisions under LA FOIP authorizing the head to refuse to give access to information contained in a record.

When determining whether to apply discretionary exemptions, the head will exercise good faith in balancing the legitimate business or legal concerns of the Municipality and the principles of open government.

#### 4.6 Reviews

An applicant who is not satisfied with how the Municipality has processed an access to information request may apply to the IPC by emailing <u>intake@oipc.sk.ca</u> for a review of the matter.

The Municipality will cooperate with the IPC in the conduct of the review.

The Municipality will work with the IPC, the applicant, and any third parties to come to an acceptable review result, whenever possible.

The head will determine whether to comply or not comply with any recommendations of the IPC following a review, with regard for the requirements of LA FOIP, the public interest, mandate of the Municipality and the principles of open government.

If the applicant and/or third party are not satisfied with the head's decision to comply or not comply with the recommendation of the IPC, they can appeal that decision to the Court of King's Bench.

#### 4.7 Open Government

The Town is committed to supporting the concepts of transparency, accountability, accessibility and participation and as such is committed to proactively providing information.

## 5. Roles and Responsibilities

The Chief Administrative Officer is responsible for:

- Corporate information, including personal information in the possession or control of the Municipality of its residents and employees, etc.
- Providing guidance with respect to this policy and ensuring this policy is followed.
- Receiving and managing all access to information requests including the application of all exemptions and working with the IPC when a review is undertaken.

Employees are responsible for:

- Forwarding all access requests to the administrator.
- Assisting with the search for responsive records.
- Compliance with this policy and related procedures and guidelines.

### The Local Authority Freedom of Information and Protection of Privacy Act (LA FOIP) v.4

#### Sample Access Request Checklist

There are several key activities involved with processing an Access to Information request and you need to make sure all activities are completed within the legislated timeframes.

The following checklist can be used to ensure that all key tasks are completed, and timelines are met. This is intended as a guideline and can be codified to suit the needs of your local authority. It is not always necessary to use the full 30 days allowed in the Act. A response should be provided sooner whenever possible.

Reaching for Council April 25/25

April 16, 2025

Sent Via: Email & Post kjanzen@dalmeny.ca

Town of Dalmeny Attention: Kelly Janzen and Council Box 400, 301 Railway Ave. Dalmeny, SK S0K 1E0

Dear Kelly and Council:

#### Re: 1980 Recreation Funding Agreement

This notice is to inform you that the R.M. of Corman Park is providing 60 days' notice that the recreation cost share agreement dated July 21, 1980 under our Bylaw 06/80 will be terminated.

This termination will not affect the Community Grant allocation for recreation, provided to you by the R.M.'s Sask Lotteries Grant Funding Program. The Sask Lotteries Community Grant allocation is reviewed by the Council each year and was approved for 2025.

If you have other recreation funding needs, Council will review on a case-by-case basis upon submission of your request.

Please feel free to contact me if you have any questions.

Sincerely,

maren
